

## RECOMMENDATION OF BOOKS FOR SCHOOL LIBRARY

Dear Students / Parents,

Greetings!

The School Library plays a vital role in nurturing reading habits, supporting learning and providing resources for intellectual growth. In our continuous effort to enrich the library collections with meaningful and engaging resources, we invite **recommendations for new books** from students/parents.

### Guidelines for Recommending Books:

- The recommended books should be **age-appropriate** and suitable for the school community.
- Books may include **fiction, non-fiction, reference materials, encyclopedias, biographies, story books, exam guides or specific subject related resources.**
- Recommendations should include **complete details of the book** to help in procurement.

Please submit your recommendations in the prescribed format attached herewith on or before **30/09/2025**. The Library Committee will carefully review the suggestions and finalize the list for procurement based on curriculum relevance, age appropriateness, demand and availability.
