## Annual Report (2025–26)<sup>↑</sup> Affiliation Number: 2430437

**Principal, Apeejay School Haldia**

### **Introduction**

. It gives me immense pride and joy to present before you the Annual Report of Apeejay School, Haldia, highlighting our journey through the academic year 2025–26.

### **Vision and Mission**

At Apeejay School, Haldia, our vision is to nurture responsible, compassionate, and confident individuals who excel not only in academics but also in life. Our mission is to provide holistic education—an education that sharpens the intellect, strengthens character, and inspires creativity.

### **Philosophy**

We believe that success is the sweet result of hard work combined with the desire to excel and unfailing dedication. Our philosophy is rooted in the conviction that education must go beyond textbooks, instilling in students' values of loyalty, team spirit, responsibility, and healthy competition—so that they grow into graceful and dignified personalities.

### **Staff**

The most valuable resource of any school is its staff. We are blessed with an enthusiastic and dedicated team of teachers across the Senior Secondary, Secondary, Primary, and Pre-Primary sections. Alongside them, our non-teaching and support staff work tirelessly to ensure smooth functioning. Their coordination and commitment enable the school to grow with fresh perspectives.

Innovation remains our guiding principle. The latest pedagogical practices are continuously incorporated to enrich teaching and learning.

### **Parents' and Teachers' Association**

We value the partnership between parents and teachers. Regular SMC and PTA meetings

West Bengal

were conducted, strengthening our collective resolve to nurture every child. As we believe— if you develop a passion for learning, you will never cease to grow.

### Academic Activities

Competitions and academic activities beyond the classroom foster confidence and communication skills. This year, our students participated in handwriting, essay, speech, slogan writing, poetry recitation, story narration, debates, English and Hindi elocution, and GK competitions.

Our students excelled in Science, Maths, and English Olympiads at both local and national levels. Reading Day was celebrated with a vibrant book exhibition in the library.

As Aristotle rightly said, *“Educating the mind without educating the heart is no education at all.”* Value-based assemblies were conducted daily to instil honesty, gratitude, forgiveness, and kindness.

### Training, Seminars, and Counselling

To keep pace with innovation, regular training, seminars, and orientation programmes were organized for teachers and students. Many of our teachers pursued higher qualifications such as B.Ed. and M.Ed., embodying the spirit that a real teacher must always remain a learner.

### Co-curricular and Extracurricular Activities

These activities are the heartbeat of our institution. Fancy dress competitions, flower arrangement, card making, best out of waste, poster and chart making, dance competitions, and food festivals during the Winter Carnival brought immense joy and creativity.

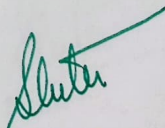

As it is said—practice like you never won, and perform like you have never lost.

### Games and Sports

Physical fitness is the foundation of academic excellence. Our students actively participated in athletics, badminton, basketball, boxing, karate, martial arts, and skating, winning laurels for the school. Yoga and regular exercises further strengthened their resilience.

### Celebrations

Life itself is a celebration, and at Apeejay School, we celebrate diversity and unity.

PRINCIPAL

**APEEJAY SCHOOL**

West Bengal

- **National Festivals** like Independence Day, Republic Day, and Kargil Vijay Divas were observed with patriotic fervour.
- **School Celebrations** included the Investiture Ceremony, where leadership responsibilities were entrusted to elected student leaders.
- **Religious Festivals** such as Eid, Diwali, Ganesh Utsav, Easter, Guru Nanak Jayanti, and Buddha Purnima were celebrated with respect for all faiths.
- **Global Observances** like International Women's Day, Yoga Day, World Peace Day, Road Safety Day, and Science Exhibitions enriched awareness and responsibility.

Bagless Days were introduced as part of skill-based learning, encouraging creativity and practical knowledge.

### 🌐 Edu-Socio Initiatives

Our school has always believed in giving back to society. Through CSR initiatives, we reached out to communities, offering training, livelihood opportunities, and motivation for purposeful living.

### 🏗️ Infrastructure Development

Significant strides were made in infrastructure development, enhancing both academic and co-curricular facilities. The transformation of our campus reflects our commitment to innovation and excellence.

### 🏆 Conclusion

Every year brings new challenges and opportunities. With God Almighty's protection and our strong will, we continue to overcome odds and pave the way for the betterment of education and society.

While our students actively engaged in co-curricular and life-skill activities, academic performance remained our top priority. Remedial teaching, extra classes, revisions, unit tests, assignments, projects, and examinations ensured rigorous learning.

I extend heartfelt gratitude to our Management, dedicated staff, supportive parents, and our brilliant students. Together, we have made Apeejay School, Haldia, a beacon of learning and growth.

With this, I proudly conclude the Annual Report.  
**Thank you.**
