Sub: Notice regarding joining of new vice principal

Dear Parents,

From reports and feedback over the last 25 years, and from the visits I have made to Apeejay School Salt Lake, I am comforted in my understanding, that our teachers are committed to bringing out the best in your children.

With this vision for the school, it has been the endeavor of the management to work towards developing a strong leadership team, which will guide and support our teachers, with much professionalism and expertise, and who in turn will bring out the best in the students of the school.

Given this, it is my pleasure to introduce Saswati Dasgupta as Vice Principal of Apeejay School Salt Lake. Saswati is a senior PGT teacher, teaching Legal Studies, Civics and History in Apeejay Park Street for the last 10 years, and is also a Senior Coordinator in the school. We are assured, Saswati will add to the quality of teaching, learning and assessment, and will be a valuable asset to the administration of the school. While Saswati has already been appointed to take up her position in Salt Lake, and will be seen stepping into her office periodically, she will ensure her students in Park Street complete their CBSE Board syllabus before she takes up residence at Salt Lake, which should be just before or after the Puja holidays.

Please join me in welcoming Saswati to Apeejay School Salt Lake.

Kind Regards

Chief Executive Officer
